minoli

Established in 1960, Minoli is one of the UK’s leading tile importers and distributors.

Our goal is simply to source and supply the most beautiful indoor and outdoor porcelain tiles, for use on floors and walls, and to offer customers a level of service that’s considered second to none.

Whilst many of our values remain true to those on which the firm was founded, we’re forward thinking and focused on continued growth in terms of our expanding product portfolio, our premises and facilities, our vehicle fleet and the size of our team.

Working closely with the top tier production plants in Italy, we bring you the latest cutting-edge designs, comprising a diverse range of different contemporary and classic styles in stone-effect, concrete, marble and wood-look finishes.

This brochure contains details of the new Marvel Epic series, a new concept in porcelain stoneware, comprising seven exciting new marble-effects that simply deliver epic, enthralling environments.

You can discover more about our business and our extensive collection of over 600 tile designs on our website – www.minoli.co.uk.

Once you see beyond the surface, you’ll find there’s more to Minoli than might first meet the eye.

MARVEL EPIC

Marvel Epic revolutionises the concept of porcelain stoneware surfaces, not just delivering authentic marble-effect finishes, but creating epic scenes that transform every space into a visual experience.

With a rich and radiant range of designs, the collection enables coherent and elegant environments that are perfectly integrated between floors, walls, and furnishings.

The compositional freedom and versatile looks offered by the collection make Marvel Epic the ideal choice for projects that aim to impress.

From generously sized tiles, through to expansive extra-large slab formats, each colourway within Epic has been purposefully designed and produced with finishes and textures that most enhance the realism of their appearance.

Please read on to explore and discover a simply stunning series in the finest porcelain, harnessing the height of technological advancement, with which to create eclectic and extraordinary epic interiors.

Symbols & Technical

Slip Resistant

Where possible, we will indicate the slip resistance indicated by an 'R' rating, ranging from R9 (for indoor areas) to R11 and above (the highest values – recommended for external areas). Please contact us directly if you require more technical details concerning the safety characteristics.

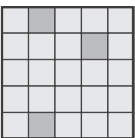

Frost Resistant

Tiles classified as 'frost resistant' have been tested externally in cold conditions when freezing/thawing has occurred.

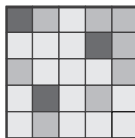

Shading

Products with the shading symbol (V1 - V4) indicate the range has a degree of shade variation from tile to tile (within the batch), characterised by a light to random finish to the surface.
