On budget & in stock

Purposefully selected to meet the needs of professional designers, property developers and housebuilders, this brochure provides an overview of 16 exciting additions to the Minoli Core Essentials Collection.

Including new designs with stone, marble, wood and concrete-effect finishes, in porcelain and ceramic, plus some with coordinating décor pieces, they have been all been chosen for design and style aesthetics, but with affordability and durability very much in mind.

Minoli are known for our ability to deliver promptly and the vast majority of our ranges are available from the extensive UK warehouse stocks at our centrally located distribution centre in Oxford.

About Minoli

Established in 1960, Minoli is one of the UK's original tile importers and distributors.

Our goal is simply to source and supply the most beautiful porcelain and ceramic tiles, for use on floors and walls, and to offer customers a level of service that's considered second to none.

Whilst many of our values remain true to those on which the firm was founded, we're forward thinking and focused on continued growth in terms of our expanding product portfolio, our premises and facilities, our vehicle fleet and the size of our team.

Working closely with the leading production plants in Italy and Spain, we bring you the latest cutting-edge designs, comprising a diverse range of different contemporary and classic styles in stone effect, concrete, marble and wood-look finishes.

This brochure showcases 16 additions to the Core Essential Collection and you can discover more about our business and extensive portfolio of some 600 designs on our website – www.minoli.co.uk.

Once you see beyond the surface, you'll find there's more to Minoli than might first meet the eye.

Why Minoli?

Experts in our field

Dedicated teams to advise and assist our housebuilder, developer, corporate and private homeowner clients.

Investing in excellence

From our state-of-the-art warehousing and stock-holding, to our purpose-built vehicle fleet and highly-skilled team members.

Quality and choice

Carefully selected, technically advanced product ranges to suit every application, from great value to luxurious and unique finishes.

Exclusive supply

Long-standing relationships with premier production plants mean we're often first to market with the latest products on an exclusive basis.

Setting new trends

We're at the cutting edge of tile technology with the latest textures, tones and extra-large formats, for use inside and outdoors.

Service standards

Working together as one-team to deliver a seamless customer service that's considered second to none.

Inspirational showrooms

Centrally located in Oxford and London, we can arrange in-person or virtual consultations to help you choose and specify.

Delivery capability

Throughout the UK, our delivery capability is equipped to reliably meet the needs of our professional and residential clients.

Pan-European coverage

For clients in automotive, retail and hospitality, we can source and supply across Europe to ensure consistency of corporate identity.

Award winning

Recognised within the industry and beyond for our distribution capabilities, product qualities and customer-centred ways of working.

Symbols & Technical Info

Slip Resistance

Where possible we will indicate the slip resistance indicated by an 'R' rating, ranging from R9 (for indoor areas) to R11 (the highest value – recommended for external areas). If you require more technical details concerning the safety characteristics, please contact us directly.

Frost Resistance

Tiles that have been classified as 'frost resistant' have been tested for conditions when freeze/thawing occurs.

Shading

Products with the shading symbol (V1 - V4), indicates the range has a degree of shade variation from tile to tile (within the batch), characterised by a light to random finish to the surface.

V1 Light V2 Moderate V3 High V4 Random
