Information

Slip Resistance

Rectified porcelain tiles suitable for internal and external areas as outlined below.

R10 (Matt - 9mm)	Suitable for most indoor areas.
R9 (Matt - 6mm)	Suitable for most indoor areas.
R11 (Grip & Outdoor)	Recommended for external areas.

Please contact us directly if you require more technical details concerning the safety characteristics.

Frost Resistant

Boost porcelain tiles are classified as ‘frost resistant’ and have been tested externally in cold conditions when freezing/thawing has occurred.

Please Note

This literature is intended as a guide only. Print cannot reproduce a true likeness of colour, tone, or texture. Reference to a sample is essential.

Velvet Finish Guidelines

SURFACE FEATURES

- Velvet is a delicate surface that requires proper care.
- Velvet is a surface that features irregularities, streaks, and superficial halos, particularly visible under oblique or reflected light.
- The Velvet finish may show noticeable marks, caused primarily by contact with metal objects (e.g. metal legs of chairs and furniture) and other abrasive materials. To best protect and preserve it, it is essential to follow the cleaning and maintenance guidelines.

INDICATIONS OF USE

- Recommended for low-traffic flooring, preferably for residential use (e.g., bedrooms, living rooms, studies, private kitchens, private bathrooms, etc.).
- Not recommended for flooring where anti-slip performance is required.
- Recommended for flooring with a coefficient of friction (DCOF) >0.42 Wet (ANSI A326.3).
- Please note that the indication for use is purely indicative, and it is always the designer's responsibility to assess the suitability of the product for specific use conditions and local regulations, taking into account the variables of the intended environment.

CLEANING & MAINTENANCE AFTER LAYING

- Always perform a preliminary cleaning test, regardless of the grout used (cementitious grout, class CG-EN 13888 in contrast or epoxy grout, class RG-EN 13888).
- For cementitious grout, use a buffered acid cleaner and rinse thoroughly, following the manufacturer's instructions.
- For epoxy grouts, remove residues before they harden and use specific cleaners, following the manufacturer's instructions.

DAILY CLEANING & CARE

- Do not use detergents with waxing, polishing, or shining properties.
- Do not use steel wood pads or excessively abrasive materials.
- Clean with a damp cloth and diluted neutral detergent, or use a scrubber dryer with soft nylon brushes for large areas, following the manufacturer's instructions.
- Periodic cleaning with a melamine brush and diluted alkaline detergent is recommended, following the manufacturer's instructions.
- In humid environments or those with organic residues (e.g., limescale or staining agents), use an acid-based detergent and rinse thoroughly, following the manufacturer's instructions.
- In spaces with outdoor exposure, use mats or dirt-trapping devices to retain moisture and dust.
- Apply protective pads to movable elements in contact with the surface (e.g., furniture and chair legs, etc.).
- During installation, use leveling spacers with anti-scratch pads.

Why Minoli?

Experts in our field

Dedicated teams to advise and assist our housebuilder, developer, corporate and private homeowner clients.

Investing in excellence

From our state-of-the-art warehousing and stock-holding, to our purpose-built vehicle fleet and highly-skilled team members.

Quality and choice

Carefully selected, technically advanced product ranges to suit every application, from great value to luxurious and unique finishes.

Exclusive supply

Long-standing relationships with premier production plants mean we're often first to market with the latest products on an exclusive basis.

Setting new trends

We're at the cutting edge of tile technology with the latest textures, tones and extra-large formats, for use inside and outdoors.

Service standards

Working together as one-team to deliver a seamless customer service that's considered second to none.

Inspirational showrooms

Centrally located in Oxford and London, we can arrange in-person or virtual consultations to help you choose and specify.

Delivery capability

Throughout the UK, our delivery capability is equipped to reliably meet the needs of our professional and residential clients.

Pan-European coverage

For clients in automotive, retail and hospitality, we can source and supply across Europe to ensure consistency of corporate identity.

Award winning

Recognised within the industry and beyond for our distribution capabilities, product qualities and customer-centred ways of working.
